INFORMATION MODULE

## Individual Membership

Individual Membership is to make you “The Villager of World Composite Village”. Individual Membership is to help yourself and the Composite Fraternity for helping CECA achieve the common goal of making India The Hub of Composites by year 2030. With Membership comes various benefits that you enjoy in the journey.

## Corporate Membership

Corporate Membership helps compaines to Gain Exposure in the community. Helps networking with peers, going global, setting standards and helps in Cost Cutting by having Consultants, Suppliers and various raw material vendors to choose from. CECA ASIA becomes a go to Helping Hand for the Corporate members and we aim for having a collaborative approach. The cost of Corporate Membership is Rs. 11,000 /- only.

## Honorary Life Membership

Honorary Life Membership is granted based on recommendations from Members, Core Members, Professional Partners and nominated by CECA ASIA . Normally they are people who have served composites field more than 20 years and have memorable contribution in their areas. This membership is Free and includes benefits of Individual Membership.
