

Conference Committee

Patron

Shri Nilesh M Desai, Director, SAC, ISRO
Shri Pragnesh Shah, Director, ATIRA, Ahmedabad
Shri N C Sharma, Ex. Head Business Development TAML
Prof. Sunil Kale – Dean, Ahmedabad University
Er. Rajiv – Executive Director – iACE, Gandhinagar
Dr. R K Singh, Director Business Transformation, CECA ASIA

Conference Chairs

Dr. Amit Prashant, Dean R&D, IIT Gandhinagar
Shri Ulkesh B. Desai, Vice President-SSME, SAC, ISRO
Dr. Vishvesh Badheka, Prof & Dean, PDEU
Dr. Tejas Mehta, Vice Chairman, ASM International Gujarat
Dr Milind H Joshipura, Head-Chemical Engg, Nirma University

Conveners

Shri Archal Shah, MD., Composites Tomorrow
Shri Nirav Jamnapara, ASM International
Shri Nitin Kumar Sharma, SSME, SAC, ISRO
Dr. Hiral Parikh, Head-Research SET, Navrachana University
Shri Amogh Shastri, Ahmedabad University
Shri Ankush Sharma, ATIRA, Ahmedabad
Shri Manish Singh, iACE, Gandhinagar
Shri Anand Pandey, IIT Gandhinagar
Dr Manoj Sahni, Prof, PDEU, Gandhinagar

Advisory Committee

Shri Neeraj Mathur, President-SSME, SAC, ISRO
Shri Pawan Tyagi, Reliance Industries Ltd.
Dr. Alok Khullar, VP Hindustan Speciality Chemicals Ltd.
Shri Shreeram Ranade, Link Composites
Dr. Mamta Saiyad, Nirma University,
Shri Ashok Dube, CEO, Bankai Compositect Pvt. Ltd.
Shri Vijay Sahadevan, Technical Authority, GKN Aerospace
Lt. Dr. Piyush Gohil, Head Mech. Engg MSU Vadodara
Shri Jitendra Trivedi, Composite Association, Ahemdabad
Shri Nitin Metkar, GM at Aditya Birla Group
Shri Nirmal Bharat Desai, Techno Plastimer

Composites Excellence Center of Asia

(CECA ASIA – Engaged in Technology Management and Innovation of Composites)

710, Samanvaya Silver, Munjimahuda
Vadodara, Gujarat, India - 390020

Phone: 091-7990105570 / 091-265-4612144

<http://www.cecaasia.org>

Benefits

The **CINCE 2024** (Exhibition and Conference) is the only event of its kind in India to deliver leading market intelligence and industry presentations on the latest innovations in composites and advanced composite materials for their enormous exclusive applications.

Benefits of attending include:

- Three days of in-depth presentations, Panel Discussions revealing the very latest market intelligence towards our key focus on sharing results and industry experiences.
- Exclusive networking opportunity, a chance to engage with other professionals with shared challenges and experiences in past and current lightweight automotive, aerospace, green energy & industrial composites projects.
- Updates on regional projects and research led by leading manufacturing experts detailing their experiences, findings, and new proposals.
- Technical presentations from service providers showcasing the latest results from recent tests and trials, technological developments, and new technical know-how.
- New case studies on specific examples from leading industry experts in plastics and advanced composites for routine and innovative application.
- Unique opportunity to integrate with a multitude of industry stakeholders and to explore new techniques for overcoming the challenges of the lightweight composites market.

How to Reach to Venue

Organizer

CINCE 2024 Composites Industries National Conference & Exhibition Aug 09 - 11, 2024

Organized by:

Composites Excellence Center of Asia, Vadodara

Supported by

Ahmedabad University, Ahmedabad
Space Society of Mechanical Engineers (SSME)
Ahmedabad Textile Industry Research Association
ASM International (Gujarat Chapter)
Indian Institute of Technology, Gandhinagar
Navrachana University, Vadodara
Pandit Deen Dayal Energy University, Gandhinagar
Nirma University, Ahmedabad

Venue

Ahmedabad University, Ahmedabad
Gujarat, India

Overview

CINC 2024 provides a forum for industry, subject matter experts and academia to share ideas and approaches, showcasing world-leading manufacturing research for advanced composites, recognizing, and responding to industry needs.

The future of the Composites market looks attractive and promising with opportunities in Aerospace & Defense, Transportation, Wind Energy, Hydrogen Gas Logistics, Construction, and others.

The conference offers a mix of presentations by internationally renowned composites experts and panel discussions involving composites experts and academia all of which will cover a diverse range of complete industry sectors including composites of tomorrow.

The event will be a great opportunity for those across the composites manufacturing supply chain to learn more about the CECA ASIA activities and how to get benefited.

There will also be an opportunity to integrate with allied industries and to demonstrate an insight into new innovations in advanced materials for various applications.

Presentations that focus on advanced composites, as well as case studies on new technologies and new market data, for current and upcoming manufacturing initiatives are of particular interest to this conference, along with other relevant topics of timely interest.

Please consider participating in what is certain to be a highly productive experience with an opportunity to collaborate with industry experts in this fast-evolving market.

Call for Industry's Presentation

Presentations from Academics, Composites Industrial Manufacturers, Raw Materials Manufacturers, Technology Providers, Equipment Suppliers, Designers, Software and Automation are called in the following areas, but not limited to:

1. Advanced Composites Materials
2. Hydrogen Economy
3. Lightweight and Ultralight weight Composites
4. Renewable Energy
5. Automotive
6. Aerospace
7. FRP/GRP/GFRP/Pultrusion
8. Defense
9. Sports and Recreations

Registration:

Industries / Educational Institutes	(INR) 20000.00
Non-Members Individual	(INR) 5000.00
Member (CECA, SSME , ASM Int.)	(INR) 2500.00
Indian Students	(INR) 1000.00
Foreign Delegates	(USD) 300.00
Foreign Students	(USD) 200.00

+GST

Register Online here - <https://rb.gy/bxntm5>

Late fees of INR 500 (Indian) and USD 50 (Foreign) will be charged extra after the regular registration.

Registration Includes: - Access to all the conference sessions, Conference kit, Tea/coffee breaks, Conference lunches, and Conference certificate.

Important Dates for Industry Presentations:

Presentation Abstract Submission: 15th July 2024

Presentation Abstract Acceptance: 20th July 2024

Full Presentation Submission: 25nd July 2024

Notification of Acceptance: 28th July 2024

Regular Registration: 25th July, 2024

Late Registration: 01st Aug, 2024

Conference Dates: August 9th to 11th, 2024

Attending this conference will enable you to:

*Understand the current market dynamics of composites and advanced materials and their impact on your business.

*Learn how to develop strategies for successful and efficient lightweight projects for the industry.

*Hear the latest trends, with an overview of the year and projections for the years to come.

*Discuss new manufacturing innovations and technological developments.

*Access different ideas and perspectives from different markets and allied industries combining regional experiences.

* Become the part of Composites Movement to Make India- The Pioneer Hub of Composites Manufacturing
